

A classified list of Kuhlau's compositions

This list follows on the whole Dan Fog's "Systematisches Werkverzeichnis" in his *Kompositionen von Kuhlau – Thematisch-bibliographischer Katalog* (Copenhagen 1977), however no composition is listed more than once and arrangements are not listed at all. Lost or dubious works are in brackets. The number in the second column is the total amount of compositions in the relevant group. If an opus number includes more compositions then every composition counts (e.g. op. 10b, 1-12 counts as 12 compositions).
